PUBLIC NOTICE

(UPDATED)

SUBJECT: Vallejo Station Parking Structure Phase A
Construction Project
(File Number 9866.16.00)

Construction of the new ferry parking structure is scheduled to begin on June 1, 2010. Improvements along Mare Island Way will also be performed. **The contractor has re-scheduled the installation of the construction fence to Monday, June 7, 2010 and plans to close the southern half of the parking lot between Maine Street and Georgia Street by the following day. All vehicles within the construction site on or after June 8th will be subject to towing.**

Parking will be available in the lot located between Georgia Street and Capitol Street. Parking is also available in the lot "behind" City Hall as well as on Mare Island Way north of Georgia Street. See attachment for additional details.

We appreciate your patience and understanding during construction and will diligently work to minimize parking inconveniences and traffic delays during this project.

If you have any questions, please contact the construction manager, Gabriel Salinas at (707) 291-3716 or e-mail: gsalinas@harris-assoc.com.
